ⁱ The categories of withholding agents include Federal and Provincial Government departments, companies, public sector organizations and autonomous bodies. However, it has been noticed that most of the registered suppliers whose tax has been withheld do not usually file their sales tax returns and resultantly, fail to pay their remaining amount of 4/5th tax in case 1/5th of the tax involved is withheld by the purchaser as aforementioned. To enforce returns by the such suppliers and payment of remaining tax involved, the whole concept of withholding has now been linked to the supplier (withholdee) being on the ATL list of the FBR or otherwise. The persons other than Active Taxpayers shall be given the same treatment as was previously accorded to unregistered persons i.e. government and public sector enterprises shall deduct whole of the tax involved in case of supplies made by persons other than those on ATL and the companies shall deduct 5% of gross value of supplies on supplies by such persons. This aims at promoting return filing and documentation culture in the country.
